

MEGALI AMMOS, MYKONOS

Boasting striking beauty and cutting edge design that is a combination of contemporary with traditional, this villa was created with the sole purpose of making luxury, a reality.

The modern architecture combined with key elements of Cycladic architecture, has created a robust result, which abounds elegance and beauty without lacking in original style and lavishness. Handmade furniture and sophisticated Greek details tantalize stylistically both interiors and exteriors of the villa, creating a transcendental effect which stimulates the senses.

The outdoor spaces are graced with a lush garden that, in combination with the pool, creates your very own private slice of paradise.
